

In a survey of all past participants:

*Do you feel you are a **better asset to the company** after going through the Leadership Program?*

*Did you become **more involved in your community** after going through the program?*

*Did the program help you in your **personal life**?*

What did you learn in the program that you still use today?

Making those around me better... supportive to my coworkers; more positivity in personal life and with committee work I'm on.

How very many local people and organizations are doing **incredible things for Juneau County** already, and having these **points of contact** is **invaluable!**

I am more in tune to my emotional intelligence

To be more assertive and how to deal with conflicts better

The value of community working together

I got to learn the **resources** in the area and it **built my confidence** as it pushed me **outside of my comfort zone**

Did the program give you more confidence?

The Leadership Program changed my life by:

Giving me the tools needed to be a **successful leader**

Helping me **come out of my shell** and feel **more confident** in social settings

Widing my horizons about my community

I feel that I try to **not judge** people before I know them or have all the facts. And more willing to **try new things** and places.

Making me a more **confident** person and introducing me to **people I now call friends.**

Past Participants have said:

"I was accepted into the Leadership Program during my 25th year of teaching ag. This program **energized** me and **motivated** me to try and be as good of or better teacher during my last years of teaching as I was during my first years. I'm very **grateful** that I had the opportunity to participate in this program and to **meet all of the wonderful people** in my class and Gary and Mary and the people of Juneau County who took time out of their schedule to meet with us."

"Gives so many **tools** for work and personal life"

"encourage me to **think more globally** and how I can pull other **community resources** into projects/initiatives"

"The experience to **learn about the county you live in**, the **knowledge** shared from the speakers that come to lunch and learn and create **long term friendships** with your classmates. So worth every penny spent"

"I **would recommend** participating in the leadership program just to get to know more about where you live"

"Wish everyone would do it!"

Was the value of the program; more or less than you paid for it
